Success in life doesn't consist in never falling, but in rising every time we fall—we all sometimes stumble on the way. If we never make a mistake we shall never share in real success. If you are on the wrong track, turn back—retrace the step and reface the day's problem resolutely.

Whatever success this store may have achieved in the past has been earned by profiting today through the mistakes of yesterday. That is why we want to see ourselves as others see us and not as our own reflection. If to your way of thinking we sometimes take a wrong step here, tell us please and let us profit perhaps by your criticism.

## MOUNT CLARE MURMURINGS

Events of the Community Are Set Down by a Telegram Correspondent.

MT. CLARE, July 5.—The Grant district Sunday school convention held in the Methodist Protestant church here Friday was well attended, and the program was dispensed as scheduled, except in the absence of the Rev. J. I. Vincent, of Rockford. The Rev. M. B. Stillman was substituted to fill his place. The addresses were all appropriate and well rendered, as were the papers read by Miss Mary Wolfe on "The Influence of the Parents in the Home Upon Their Children," and by Miss Josephine Harmer, of Shilstone, the county secretary. The music furnished by the different choirs was very commendable. H. D. Gaston, the retiring president, presided. T. M. Swisher was elected president for the ensuing year, and Elder M. B. Stillman was re-elected district secretary. The Seven Day Baptist church near Lost Creek, was chosen as the place to hold the 1917 convention.

The Shelly and Pomeroy show, traveling in its own private car, gave a very creditable exhibition here under canvas Monday night on the ball ground, a short distance from the station.

Sunday was a record breaker in the amount of booze distributed throughout this mining district. An automobile well loaded with the stuff is said to have arrived from Point Marion early in the morning, and the contents were unloaded at various places from which further distributions were supposed to have been made to those who were preparing to celebrate the Fourth. The way of the transgressor "should be made hard."

Mrs. W. S. Law, after spending two weeks at the St. Mary's hospital, where she underwent an operation for appendicitis, was able to be brought home Saturday, and is reported doing well.

## BAD DREAMS ARE SYMPTOMS

Ill Health the Cause—Many Alarming Symptoms of Women's Ailments—How Cured.

Paterson, N. J.—"I thank you for the Lydia E. Pinkham remedies as they have made me feel happy and healthy. Some time ago I felt so run down, had pains in my back and side, was very irregular, tired, nervous, had such bad dreams, did not feel like eating and had short breath. I read your advertisement in the newspapers and decided to try a bottle of Lydia E. Pinkham's Vegetable Compound. It worked from the first bottle, so I took a second and a third, also a bottle of Lydia E. Pinkham's Blood Purifier, and now I am just as well as any other woman. I advise every woman, single or married, who is troubled with any of the aforesaid ailments, to try your wonderful Vegetable Compound and Blood Purifier and I am sure they will help her to get rid of her troubles."—Mrs. ELISE J. VANDER SANDE, 7 Godwin Street, Paterson, N. J.

## Announcing Our Annual Big Fall Opening of Suits, Coats and Skirts

On next Monday, July 10th, we will hold our Annual Big Opening of Ladies' Tailor Made Garments for Fall and Winter wear. We will show at that time the exact styles that will be worn the coming season, and we want to impress on the minds of the trade the necessity of getting orders placed now, while we can secure the cloths and get the garments made up in time for the early fall wear. Mr. E. W. Powell, who has visited us regularly for years, will be with us and will be prepared to take special measures for anything in the line made to your order. To those who have been buying our merchandise all through the past eighteen years we do not need to dwell on the quality here. But to those who have not bought garments here, we wish to say there is no line on the market today that excels ours in the style, finish and quality of materials used. We can assure you the best of attention, and guarantee a perfect fit. We have a house back of us to fill these orders that is better equipped in every way for business this season than any other house we know of in the country.
